Gentlemen:

This refers to your letter dated November 15, 1984, for an amendment to Materials License 22-19422-02.

We received your check for \$230, which is the correct fee for the license amendment. Your request, however, also requires an amendment to the device evaluation, for which an additional fee of \$580 is required as specified in fee Category 9A of \$170.31 of revised 10 CFR 170, copy enclosed. Payment of the additional \$580 should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention at our Washington, D.C. address.

Your application will be processed by the Region III Licensing staff located at 799 Roosevelt Road, Glen Ellyn, Illinois 60137. The additional fee, however, is required prior to issuance of the amendment. When submitting the fee please refer to CONTROL NUMBER 77823.

Sincerely,

*Allen S. Cabell*
