REPLY TO
ATTENTION OF

MADN-H

30 May 1985

SUBJECT: Change of Radiation Protection Officer

THRU: Superintendent
United States Military Academy
ATTN: Safety Officer
West Point, New York

PK 4 June 85

TO: Commander
U.S. Army Materiel Command
ATTN: DRCSF-P
5001 Eisenhower Avenue
Alexandria, Virginia 22333

1. Major Robert N. Cherry, Jr., has replaced Major Frederic J. Pineau as the Department of Physics Radiation Protection Officer. Major Cherry's training and experience are shown on the enclosure. Request that the Nuclear Regulatory Commission be notified of the change and that the change be noted on the Department of the Army Radiation Authorizations issued to the Department of Physics, United States Military Academy.

2. The Department of Physics holds the following licenses and authorizations:

a. Nuclear Regulatory Commission license number SUD-311. An application for renewal of this license has been received by the Nuclear Regulatory Commission and been given control number 24496.

b. Nuclear Regulatory Commission license number 31-02102-02. An application for renewal of this license has been received by the Nuclear Regulatory Commission and been given control number 17661.

c. Department of the Army Radiation Authorization number A31-10-01. An application for renewal has been submitted.

d. Department of the Army Radiation Authorization number A31-10-05.
