Re: License #24-13246-01

Gentlemen:

The Radioactive Materials License referenced above, issued to Methodist Hospital, 8th & Faraon St., St. Joseph, Missouri, is scheduled to expire June 30, 1985. Per your request, we are submitting a License Renewal Application. A renewal fee check of \$580.00 is enclosed.

Methodist Hospital and St. Joseph Hospital in St. Joseph, Missouri recently merged to form a single entity. The new name for Methodist Hospital will be Heartland Hospital West. In conjunction with this merger, an effort will be made to utilize a single Hot Lab facility which will be located at the Heartland Hospital West facility. Information related to this planned utilization is enclosed.

A review of our past licensing action indicated that a complete renewal was necessary. This complete renewal is enclosed. If you have any questions concerning the renewal application, please do not hesitate to contact us at (816) 271-7080.

Sincerely,

Mr. Michael McGeehan, Director
Radiology and Medical Imaging
