Gentlemen:

On July 2, 1985 the writer had a telephone conversation with Mr. Frank Costello of your office concerning the sale of a logging unit and two sources which were a part of the logging unit's operation. The operation of the logging unit had been addressed to your Commission by letter dated June 20, 1985.

The unit and sources were sold to Hitwell Surveys, Inc., P. O. Box 43, Parkersburg, West Virginia 26102, on July 3, 1985. The sources should now be transferred to License No. 47-21232-01 with an expiration date of March 31, 1988 effective July 3, 1985.

We have appreciated your assistance in these matters.

Sincerely,

JCD:emh
