Docket Nos. 50-445/2 and 50-446/2

Dear Administrative Judges:

In reviewing the transcript of the November 12, 1985 prehearing conference, which the Staff received on November 25, 1985, it has been noticed that in a number of places, the transcript incorrectly identifies the individual speaking. In particular, on the following pages, the speaker should be identified as MR. CHANDLER, rather than MR. ROISMAN:

24220	10
24221	9

While other typographical errors have been found as well, the foregoing have a more obvious and substantial bearing on the record.

Sincerely,
