Gentlemen:

Enclosed is Amendment No. 10 to your NRC License No. 13-16347-01 in accordance with your request.

Please note that this amendment was issued also in accordance with the telephone conferences held on October 8 and 15, 1985 between Mr. T. J. Keilman of your staff and myself. During our telephone conferences it was understood that the new lock box assemblies for the Gamma Century S exposure devices are to be provided by Gamma Industries Incorporated.

If you have any questions or require clarification of any of the above stated information, contact us at (312) 790-5625.

Sincerely,

SUMMARY

① Is it OK for Calumet testing to change lock boxes on the Gamma Century S using Gamma Industries lock boxes? According to Mr. Baggett, this is not an unusual practice, as long as the new lock boxes are provided by the manufacturer.
