Re: FOIA Request for Recent ComSecy documents

Under the Freedom of Information Act, I am requesting all of the ComSecy's initiated by the NRC Commissioners since November 22, 1996 pertaining to ~~international considerations, especially those having to do with~~ Chairman Jackson's proposal to form an international nuclear regulators forum.

This request is being made on behalf of Inside N.R.C. and Nucleonics Week, independent newsletters published by McGraw-Hill, with readers in government, industry and the general public. The information I am requesting will be used in the preparation of news articles, which will benefit the public. Therefore, I ask that all search and copying fees be waived. If they are not, McGraw-Hill is prepared to pay normal NRC fees.

Please contact me at (202) 383-2161 if you have any questions. Thank you in advance for your assistance.

Sincerely,

*Kathleen Hart*
