

UNITED STATES GOVERNMENT

Memorandum

Harmon

TO : Donald A. Nussbaumer, Chief
Source and Special Nuclear Materials Branch
Division of Materials Licensing

FROM : Jack R. Roeder, Inspection Specialist *JRR* for Staff Operations
Division of Compliance

DATE: **AUG 4 1964**

SUBJECT: KERR-McGEE OIL INDUSTRIES, INC., 5950 McINTYRE ROAD, GOLDEN, COLORADO
LICENSE NO. SUB-143 (DOCKET NO. 40-6175)

In response to your request dated June 12, 1964, with respect to a close-out inspection of the subject licensee's facilities, attached is a copy of a Region IV memorandum dated July 27, 1964, subject as above, relating their findings during visits to the licensee's facility.

Please note Region IV's statement that the results of the said samples will be forwarded when received from the Idaho Health and Safety Laboratory.

This matter was discussed with Don Harmon by Tom Brockett on July 16 and July 30, 1964.
