Kerr-McGee Oil Industries, Inc.
Kerr-McGee Building
Oklahoma City 2, Oklahoma

Attention: Mr. V. L. Mattson, Vice President
Research and Development

Gentlemen:

Based on the information gathered during our inspection of your facility at Golden, Colorado, conducted on July 10, 13 and 24, 1964, and the information contained in your letters of June 3, and July 27, 1964, the land, buildings and equipment constituting your Golden facility may, under the Commission's regulations, be transferred to persons who do not possess an AEC license.

FOR THE U. S. ATOMIC ENERGY COMMISSION

(Signed) Lyall Johnson

Lyall Johnson, Acting Director
Division of Materials Licensing
