Re: SUA-1326, Docket No. 40-8674

Gentlemen:

In my letter to your office dated October 18, 1985, I asked that Plateau Resources Limited be allowed to cease all sampling and monitoring at their Blanding Ore Buying Station. This would require an amendment to SUA-1326. Please disregard my letter and withdraw my request.

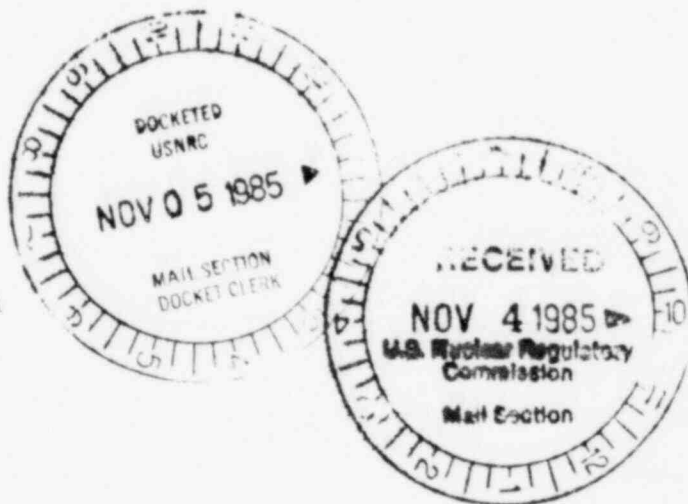

Since an amendment to our license is not required, may we please have credit for the \$150.00 check which accompanied that letter?

Very truly yours,

John K. Thamm
