FREEDOM OF INFORMATION
ACT REQUEST

FOIA-85-784
Rec'd 12-2-85

Mr. J. M. Felton, Director
Division of Rules and Records
Office of Administration
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Felton:

Pursuant to the Freedom of Information Act, please make available at the Commission's Washington, D.C., Public Document Room records in the following categories:

- A. All records concerning the second annual UKAEA/USNRC Information Exchange Meeting on Containment Response to Severe Accident Conditions, held on October 15, 1985, in Bethesda, Maryland. Included in this request are copies of all papers presented at the meeting and copies of all slides/handouts distributed at the meeting.
- B. All records concerning the Fifth Annual Information Exchange Meeting on Core Meltdown Research between the USNRC and the Federal Republic of Germany, held on October 16-18, 1985, at Shelter Island, NY. Included in this request are copies of all papers presented at the meeting and copies of all slides/handouts distributed at the meeting.
- C. Copies of all papers presented at the most recent Light Water Reactor Research Information Meeting concerning source terms, probabilistic risk assessment, and seismic safety research.
- D. All records generated as a result of a recent meeting of the Society of Exploration Geophysicists held in Washington, D.C., which was attended by Dr. E. Zurflueh for the NRC staff. (This was written up in the NRC's "Weekly Information Report", 10/24/85, Enclosure E.)
- E. A copy of the SECY paper presented at or prepared for the Commission meeting on "Consideration of Earthquakes in the Context of Emergency Preparedness" held on September 9, 1985, and copies of slides/handouts used by the NRC staff at that meeting as well as at an ACRS meeting on the same subject on 10/31/85.

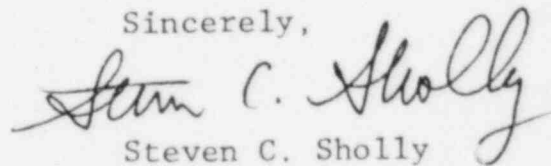

Mr. J. M. Felton
