Dear Mr. Soldan:

As we discussed, I am planning to visit your facility on December 11, 1985. I will be accompanied by Dr. Edward Shum of this office and by the Oak Ridge National Laboratory Environmental Assessment Team. The visit is intended to gain additional information needed to conduct the environmental assessment related to your license renewal.

If you have any questions in the meantime, please feel free to call me at (301)427-4510.

Sincerely,
