Attention: Mr. Edmund Sullivan

Subject: Transmittal of EPRI Reports

Dear Mr. Sullivan:

Per your request EPRI is forwarding the following reports:

- Acquisition Technique Specification Sheets for all currently approved EPRI Appendix H examination techniques (1 copy unbound)
- EPRI Report TR-104788, "Primary-to-Secondary Leak Guidelines," May 1995 (15 copies)
- EPRI Report TR-106365, "Steam Generator Progress Report, Revision 12 dated October 1996 (15 copies)

Please note that there are no licensing or proprietary restrictions on these reports. Also, please feel free to duplicate as many copies of the unbound report. The remaining reports which have been requested will be sent as soon as possible.

Yours truly,

Robert C. Thomas
Manager
Steam Generator Repair & Replacement
