MEMORANDUM FOR: Those on Attached List

FROM: Richard E. Cunningham, Director
Division of Fuel Cycle and Material Safety

SUBJECT: REVISION OF PART 35 AND REGULATORY GUIDE 10.8

The Commission directed the staff to make certain changes in the proposed revision of Part 35. The Commission instruction and the staff plan for responding to the Commission's instructions are attached for your review. The following three milestones have been established:

Distribute the regulation, the preamble,
and Regulatory Guide 10.8 for review

February 28, 1984

Comments due

April 30, 1984

Forward the complete package to
Director/NMSS for transmittal to EDO

June 30, 1984

The Material Licensing Branch will be handling this project. If you have any comments on the plan or the schedule, please contact either me (427-4485) or the Branch Chief, Vandy Miller, 427-4002. A briefing meeting with cognizant individuals will be scheduled for early December.

Original Signed by
Richard E. Cunningham

Richard E. Cunningham, Director
Division of Fuel Cycle and
Material Safety
