UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

FEB 13 1984

MEMORANDUM FOR: Those on Attached List

FROM: Richard E. Cunningham, Director
Division of Fuel Cycle and Material Safety

SUBJECT: REQUEST FOR REVIEW OF DRAFT 10 CFR PART 35 AND DRAFT
REVISION OF REGULATORY GUIDE 10.8, GUIDE FOR THE
PREPARATION OF APPLICATIONS FOR MEDICAL PROGRAMS

The attached draft Commission paper that contains proposed revisions for 10 CFR Part 35 and Regulatory Guide 10.8 was prepared in response to a memorandum to Mr. Dircks from Mr. Chilk dated June 23, 1983 (see enclosure 2 of the Commission paper). Comments from several cognizant individuals and the Agreement States have been included in the Commission paper. The Regulatory Guide has not been previously circulated.

In order to provide an overview of the package and to answer any questions you may have before you prepare your final comments, Norman McElroy of my staff will contact a member of your staff to schedule a briefing at your convenience.

Please review the attached materials and send me your comments by March 30, 1984. If you send a memorandum, please begin each comment with a citation that notes the enclosure number, page number, and line number. If you prefer, send me a markup of only the pages that you want to comment on.

A handwritten signature in dark ink, appearing to read "Richard E. Cunningham".

Richard E. Cunningham, Director
Division of Fuel Cycle and
Material Safety

Enclosures:

1. Notes for reviewers
2. 10 CFR Part 35 package outline
3. Draft transmittal memo, Davis to Dircks
4. Draft Commission paper with enclosures
5. Draft Regulatory Guide 10.8
