Dear Dr. Altman:

The NRC staff is preparing a revision of the regulations that govern the human use of byproduct material. Courtesy copies of the draft Federal Register notice and Regulatory Guide are enclosed for your review and comment. Mr. Don Hamilton and Mr. Don Thompson of NDCRH were consulted in the development of the drafts.

The enclosures are being circulated for NRC staff review and comment and should not be released to the public at this time. Questions and comments may be telephoned to Mr. McElroy of my staff on 427-4052, or written to me.

Sincerely,
Original Signed By
