for Operations

FROM: G. Wayne Kerr, Director

SUBJECT: PROPOSED REVISION OF PART 35

We understand that the proposed revision of Part 35 will soon be sent to the EDO for consideration. At the annual meeting of all Agreement States held in King of Prussia on October 2-4, 1984, the Agreement States expressed their desire to present their views on the NRC staff proposal to the Commission. We expect to have written confirmation of this within the next two or three weeks.

Please let me know when the Part 35 Commission paper reaches the EDO office and what decision Bill makes on it.
