

The Honorable Frank Mascara  
United States House of Representatives  
Washington, D.C. 20515

Dea: Congressman Mascara:

I am responding to your letter to me dated February 27, 1997, requesting that the U.S. Nuclear Regulatory Commission staff attend a public meeting that is going to be held by public officials and residents of Canton Township, Pennsylvania, to discuss the type of waste that is being addressed at the Molycorp site in Washington, Pennsylvania.

We agree that it is important for all interested parties to learn first-hand the status of current and proposed NRC-licensed activities at the site. The staff is currently coordinating with the Township Supervisors and the licensee to schedule such a meeting. We will inform your staff of the meeting date and location after the arrangements have been made. Our Project Manager for this license is Mr. LeRoy Person, who can be reached at (301) 415-6701.

I trust this letter responds to your request.

Sincerely,

Shirley Ann Jackson

Dear Congressman Mascara:

I am responding to your letter to me dated February 27, 1997, requesting that the U.S. Nuclear Regulatory Commission staff attend a public meeting to be held by public officials and residents of Canton Township, Pennsylvania, to discuss the permit application process, the role of the NRC, and the type of low-level radioactive waste that is being addressed at the Molycorp site in Washington, Pennsylvania.

We agree that it is important for all interested parties to learn first-hand the status of current and proposed NRC-licensed activities at the site. The staff currently is coordinating with the Township Supervisors and the licensee to schedule such a meeting and will provide a staff representative to participate in the meeting. We will inform your staff of the meeting date and location after the arrangements have been made. If I can be of further assistance, please contact me or Dennis K. Rathbun, Director, Office of Congressional Affairs, at (301) 415-1776.

Sincerely,

Shirley Ann Jackson
