MEMORANDUM TO: Those on Attached List

FROM: KimBerly Randall, Registration Specialist
Sealed Source Safety Section
Medical, Academic, and Commercial
Use Safety Branch
Division of Industrial and
Medical Nuclear Safety, NMSS

SUBJECT: SEALED SOURCE AND DEVICE (SSD) REGISTRY SYSTEM
USER REPORTS

Enclosed, please find updated copies of the following reports:

- ° SSD-3 Index of active source/device model numbers.
- ° SSD-3A Index of inactive vendors and inactive source/device model numbers.
- ° SSD-3B Index of active vendors and inactive source/device model numbers.
- ° SSD-5 Index of certificates created/amended since date of last printout distribution.
- ° SSD-4 Index of active vendor addresses.
- ° SSD-4A Index of inactive vendor addresses.

These reports replace the older reports currently in your possession. Please discontinue using and discard the older copies. Please examine the enclosed reports for accuracy or omissions and notify me within thirty (30) days, at (301) 415-7857 if any corrections are needed.

Your cooperation in helping us to keep the SSD System current and accurate is appreciated.

Enclosures: As stated
