

UNITED STATES NUCLEAR REGULATORY COMMISSION

DOCKET NO. 50-498A

HOUSTON LIGHTING AND POWER COMPANY ET AL.

NOTICE OF RECEIPT OF ANTITRUST INFORMATION

The Houston Lighting and Power Company acting as agent for the City of Austin, the City Public Service Board of San Antonio, and Central Power and Light Company has submitted antitrust information in conjunction with the application for an operating license for a pressurized water reactor, known as South Texas, Unit 1, located in Matagorda County, Texas, 15 miles southwest of Bay City. The data submitted contain antitrust information for review, pursuant to NRC Regulatory Guide 9.3, necessary to determine whether there have been any significant changes since the antitrust settlement in September of 1980.

On completion of a staff antitrust review, the Director of Nuclear Reactor Regulation will issue an initial finding as to whether there have been "significant changes" under section 105c(2) of the Atomic Energy Act. A copy of this finding will be published in the Federal Register and will be sent to the Washington, DC and local public document rooms and to those persons providing comments or information in response to this notice. If the initial finding concludes that there have not been any significant changes, requests for reevaluation may be submitted for a period of 30 days after the date of the Federal Register notice. The results of any reevaluation that are

requested will also be published in the Federal Register and copies sent to the Washington, DC and local public document rooms.

A copy of the general information portion of the application for an operating license and the antitrust information submitted is available for public examination and copying for a fee at the Commission's Public Document Room, 1717 H Street, N.W., Washington, DC 20555, and in the local public document room at the Matagorda County Courthouse, 1700 7th Street, Bay City, Texas 77414.

Any person who desires additional information regarding the matter covered by this notice or who wishes to have views considered with respect to significant changes related to antitrust matters which have occurred since the antitrust settlement should submit such requests for information or views to the U.S. Nuclear Regulatory Commission, Washington, DC 20555, Attention Director, Planning & Program Analysis Staff, Office of Nuclear Reactor Regulation, on or before March 14, 1986.

Dated at Bethesda, Maryland, this 4th day of February, 1986.
