

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

PDR

February 6, 1986

The Honorable Edward J. Markey, Chairman
Subcommittee on Energy Conservation and Power
Committee on Energy and Commerce
United States House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

By letter dated February 3, 1986, the Commission forwarded a copy of SECY-86-23 to you as requested by Mr. Richard Udell of your Subcommittee staff. The title of this paper is "Emergency Preparedness Exercise for Shoreham." Confidentiality was requested for this paper as it was not in the Commission's Public Document Room.

Subsequently, your staff requested that a review be performed to determine whether any portion of SECY-86-23 should be withheld under the Freedom of Information Act. This review is now complete and the Commission has no objection to the public use of SECY-86-23. A copy of this document is being placed in the Commission's Public Document Room.

Sincerely,

A handwritten signature in cursive script, appearing to read "Carlton Kammerer".

Carlton Kammerer, Director
Office of Congressional Affairs
