In the Matter of
Carolina Power and Light Company and
North Carolina Eastern Municipal Power Agency
(Shearon Harris Nuclear Power Plant, Units 1 and 2)
Docket Nos. 50-400 OL and 50-401 OL

Dear Administrative Judges:

In accordance with the schedule confirmed by the Board in its Order of January 24, 1986, this letter identifies the FEMA witness who will testify at the hearing on March 4, 1986.

FEMA has informed me that FEMA will present the testimony of Dr. Kryter concerning Item 2 of the Board's Order of January 16, 1986. Dr. Kryter will be prepared to answer the Board's questions with respect to Items 3 and 5 of that order. FEMA has determined that no testimony on Item 6 will be provided, since FEMA has not conducted, and lacks the resources to conduct the analysis which such testimony would require.

Sincerely,

A handwritten signature in black ink, appearing to read "JANICE E. MOORE".
