State of North Carolina
Department of Transportation
ATTN: Mr. F. T. Wagner
Raleigh, NC 27611

Gentlemen:

Enclosed is Quality Assurance Program Approval for Radioactive Material Packages No. 0399, Revision No. 2.

Please note you are registered to use the USA/6717/B(U) and USA/9036/B NRC certified packages.

The attachments to your letter application for renewal do not constitute a commitment but implementation of a QA program should not have been submitted.

Sincerely,

Original Signed by
CHARLES E. MACDONALD
