Dear Mr. Chilk:

On September 6, 1985, I appeared before the Nuclear Regulatory Commission to discuss the State of Utah perspective on the interpretation of Section 114 (f) of the Nuclear Waste Policy Act. I noted at that time that I would submit statement on behalf of the State of Utah to the Commission immediately following the September 6 meeting. Please find enclosed five copies of the written statement of Patrick D. Spurgin before the Nuclear Regulatory Commission on behalf of the State of Utah.

Pleas feel free to contact me if I can be of further assistance.

Sincerely,

Patrick D. Spurgin
Director
