V. A. Medical Center
4150 Clement Street
San Francisco, California 94121

Attention: Laurance V. Foye, Jr., M.D.
Medical Center Director

Gentlemen:

Enclosed is License Amendment No. 21. This amendment was issued because License Conditions 23. and 24. were inadvertently omitted from Amendment No. 20.

License Condition 23. was not previously listed, as the V. A. San Francisco has not procured molybdenum-99/technetium 99m generators. However, your license gives you this latitude.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify us so that we can provide appropriate corrections and answers.

Any future correspondence relating to your license should specifically reference your license and docket numbers to expedite your inquiry.

Sincerely,

Beth A. Riedlinger
Health Physicist (Licensing)
