Docket No. 030-22031

License No. 29-20751-01

Middlesex County Department of
Public Property
ATTN: Joseph M. Hoff, Jr.
Administration Building
One J.F.K. Square
New Brunswick, New Jersey 08901

Gentlemen:

Subject: Inspection No. 86-01

This refers to the routine safety inspection conducted by Ms. Judith A. Joustra and Mr. Francis Costello of this office on January 14, 1986, of activities authorized by NRC License No. 29-20751-01 and to the discussions of our findings held by Ms. Joustra and Mr. Costello with Mr. George E. Foiles of your staff at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety and to compliance with the Commission's rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel, measurements made by the inspectors, and observations by the inspectors.

Based on the results of this inspection, it appears that certain of your activities were not conducted in full compliance with NRC requirements, as set forth in the Notice of Violation, enclosed herewith as Appendix A. These violations have been categorized by severity level in accordance with the revised NRC Enforcement Policy (10 CFR 2, Appendix C) published in the Federal Register Notice (49 FR 8583) dated March 8, 1984. You are required to respond to this letter and in preparing your response, you should follow the instructions in Appendix A.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and your reply will be placed in the Public Document Room.

The responses directed by this letter and the accompanying Notice are not subject to the clearance procedures of the Office of Management and Budget as required by the Paperwork Reduction Act of 1980, PL 96-511.
