Re: License No. 34-19264-01  
Control No. 78007 - *Ren*

Gentlemen:

With reference to License No. 34-19264-01 we would like to request a change in the names of the authorized users as follows:

12. Licensed material shall be used by, or under the supervision and in the physical presence of Mike Treon, Charles Smith, Mark S. Keaton and Roger Burdette.

Please remove Patrick Mullen's name as user/supervisor of licensed material.

Mr. Mark Keaton is the Radiation Safety Officer at the location where the gauge is now being used.

The present location of the Troxler Surface Moisture Density gauge is B. G. Danis Company, P.O. Box 54, Green Sulphur Springs, West Virginia 25966. It is stored, in safety mode, in the center of a 50' trailer under a table. The nearest person to it is at a distance in excess of 20'.

If any additional information is required, please feel free to contract me at (513) 228-1225 - Ext. 308.

Very truly yours,

RECEIVED
