

JAN 13 1986

Department of the Navy
SIMA Little Creek
Norfolk, VA 23521

Gentl er:

Enclosed is amendment number 04 to license number 45-17845-01 authorizing use of Technical Operations equipment (formerly Automation Industries) and sealed source assemblies. At this time we are only amending your license to add the Technical Operations equipment, any other requests included in your letter or application will be reviewed at a later date.

Sincerely,

J. Bruce Carrico
Material Licensing Branch
Division of Fuel Cycle and
Material Safety

Enclosure:
As stated above
