

November 5, 1985

Mr. John Kinneman, Chief
Nuclear Materials Safety Section A
Nuclear Regulatory Commission
631 Park Avenue
King of Prussia, PA 19406

SUBJECT: Inspection #99990001/85-16

Dear Sir:

We have reviewed Appendix A, Notice of Violation. This letter is intended to satisfy the requests made by you in that appendix.

1. Corrective Steps Taken - The subject licensed material was sent to UPA Technology for a leak test after it was moved into the new facility.
2. Corrective Action to Prevent Recurrence - Personnel were not aware that the material was required to be moved by licensed personnel. If the material needs to be moved to a new facility, UPA Technology will be consulted to obtain a procedure for movement.
3. Effective Date of Full Compliance - November 4, 1985.

We trust that the action taken is satisfactory and complies with the provisions of 10 CFR 2.201. Please feel free to call me if there are any questions.

Sincerely,

ALLOY SURFACES COMPANY, INC.
