Vice President
Post Office Box 767

Gentlemen:

At a January 28, 1986 meeting we received the scope and objectives for the unannounced Byron Station emergency preparedness exercise. We find these objectives acceptable as modified, during the February 6 telephone conversation between Mr. T. Blackmon of your staff and Mr. T. Ploski of my staff, regarding the use of the High Range Sampling System.

Thank you for your cooperation.

Sincerely,

W. D. Shafer
