Dear Sir:

In response to your letter dated 11-25-85, please find enclosed our Quality Assurance Program and Application Fee as required by 10CFR 170.31.10.

We had received the attached approval shortly after implementing our license, however, it is now evident that this was intended for our Sister Company in Fort Myers, Florida. We have forwarded the original to Florida.

It is hoped that the enclosed program is satisfactory. Please do not hesitate to contact me should you need additional information.

Sincerely,

David J. Figne
