SUBJECT: Response to NRC Staff Evaluation of the Comanche Peak Response Team Program Plan

REFERENCE: 1) Letter from V. S. Noonan to W. G. Council dated August 9, 1985; NRC Staff Evaluation of the Comanche Peak Response Team Program Plan.  
2) Letter from V. S. Noonan to W. G. Council dated September 30, 1985; NRC Staff Evaluation of the Comanche Peak Response Team Program Plan - Detailed Comments.

Dear Mr. Noonan:

This letter transmits the Texas Utilities Generating Company responses to the USNRC Staff Evaluations of the Comanche Peak Response Team Program Plan contained in Reference 1 and 2.

The attached responses address the concerns, questions and/or comments raised in each of the referenced letters. Where a TUGCO response covers more than one NRC comment the response is cross-referenced to provide direct coverage of the NRC comment.

The CPRT Program Plan (including associated Action Plans) are being revised to incorporate the information and TUGCO positions covered in this response. It is expected that Revision 3 of the Program Plan will be submitted in December, 1985.

Sincerely,
