Dear Mr. Martin:

Enclosed are the details of the goals and objectives for REX-'86, the on-site exercise by AP&L and off-site exercise by State and local governments.

As stated in my previous correspondence, April 2, 1986, is still the firm date for the exercise.

We are submitting this to you for review and concurrence.

If you have any questions or need additional information, please contact me.

Sincerely,

E. Frank Wilson, Chairman
1986 Joint Scenario Committee
