Gentlemen:

This is in reference to your letter of September 4, 1985, regarding your submittal of a radioactive material label. We have no record of requesting this information.

It should be noted that requirements for Radioactive Materials Package Labels are specified in 49 CFR 172.403 and 172.435 through 172.440. Requirements for marking a package are specified in 10 CFR 71.85(c) and 49 CFR 172.310. Your label does not appear to comply with either.

I trust this information will be helpful.

Sincerely,

Original Signed by
CHARLES E. MACDONALD
