RE: Advanced Medical Systems, Inc.'s February 21, 1997, Application for
Withholding of Proprietary Information Pursuant to 10 CFR 2.790

Dear Mr. Caniano:

On February 21, 1997, I submitted a request that Attachment 1 of an accompanying letter regarding Advanced Medical Systems, Inc. (AMS) be specifically exempted from public disclosure because it contained commercial financial information between AMS and a low-level waste broker with whom AMS was undergoing contract negotiations. Although it was inadvertently not labeled as Attachment 1, the table entitled, "Allocation of Funds", that was attached to the accompanying letter was the attachment of reference. AMS regrets the confusion that might have been associated with this labeling discrepancy.

Sincerely,

S. S. STEIN
President
