SUBJECT: NOTICE OF VIOLATION (NRC INSPECTION REPORT NO. 50-302/96-09)

Dear Mr. Anderson:

Thank you for your response of March 18, 1997, to our Notice of Violation (NOV) issued on October 4, 1996, and our letter dated February 11, 1997, concerning activities conducted at your Crystal River facility. We have evaluated your response and found that it meets the requirements of 10 CFR 2.201. While your response did not address the changes you made in EOP-7 and EOP-8, we verified in Inspection Report 50-302/96-09 that the appropriate changes had been made. We will examine the implementation of the remainder of your corrective actions during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

Orig signed by Johns P. Jaudon
