OFFICE OF SECRETARY  
DOCKETING & SERVICE  
BRANCH

In the Matter of  
PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE, et al.  
(Seabrook Station, Units 1 and 2)  
Docket Nos. 50-443 OL and 50-444 OL

Dear Senator Preston:

This is to confirm our telephone conversation of earlier today, concerning your letter to Robert Perlis of this office dated January 29, 1986.

As I informed you, this office no longer has any additional copies of the New Hampshire emergency plans referred to in Mr. Perlis' letter of January 10, 1986. Those plans consist of several thousand pages, and it is not practical for this office to make any further copies at this time. I suggested that your office contact the New Hampshire Civil Defense Agency in order to obtain a copy of the plans in the most expeditious manner. In addition, a copy of the plans may be found in the NRC's Local Public Document Room for the Seabrook facility, located at the Public Library in Exeter, New Hampshire.

Sincerely,

*S.E. Turk*
