SUBJECT: CONFIRMATION OF TELEPHONE CALL FOLLOW-UP TO NRC REQUEST FOR
FINANCIAL ASSURANCE INFORMATION

Dear Mr. Walker:

This confirms our telephone conversation of March 25, 1997, concerning the status of your response to our letter dated December 9, 1996.

It is my understanding that the response has not been mailed but that you will complete it within the near future. Even though we did not establish a target date for your submission, it is our usual practice to request the information within 30 days of the date of our follow-up letter.

Therefore, we ask that you provide the requested information by close of business April 25, 1997. Unless we hear from you by that date it may be necessary for NRC to institute enforcement action which could jeopardize your license.

As discussed in our telephone conversation, please call me at 404-331-5617 or John Pelchat at 404-331-5083 if you have questions.

Sincerely,

ISI
