Gentlemen:

SUBJECT: CRYSTAL RIVER REQUAL EXAM DATE

In response to your letter dated September 3, 1985, from G. R. Westafer to J. Nelson Grace, it will not be possible for us to satisfy your request for examination of the seven Crystal River Unit 3 operators. As you are aware, our examinations are scheduled far in advance with considerable planning to utilize our presently very limited manpower. At present, the earliest date we can provide the requested examinations is mid January 1986. Mike Penovich of your training group was notified of this on September 18, 1985. Finalization of a specific date should be accomplished by contacting Sandy Lawyer at 404/221-5601.

Thank you for your understanding in this matter.

Sincerely,

(Original signed by JNGrace)
