WORKSHOP ON SS&D  
EVALUATIONS

TECHNICAL INFORMATION.....

Supplementary information: In preparation for the April 7-11, 1997 Sealed Source and Device Evaluation (SS&D) Workshop, each participant is requested to select a SS&D application or amendment, from their State, to evaluate during the casework portion of the workshop. Each applicant should bring the application to the workshop. During the casework portion of the workshop, each participant will have an opportunity to work on review of that application with the goal that the review, or a significant portion of the review, will be completed by the participant during the workshop. The workshop presenters will be available to answer specific questions and address issues generated by participants as a result of their individual reviews. Generic questions and a workshop summary will be presented after the casework is completed. Enclosed also is a final list of participants.
