Gentlemen:

By letter dated October 8, 1985, your Company submitted Topical Report No. NEDE-30996-P entitled "Safer Model for Evaluation of Loss of Coolant Accidents for Jet Pump and Non-Jet Pump Plants" to the Office of Nuclear Reactor Regulation (ONRR) for review. Under the provisions of 10 CFR 170.21.J, requests for review of topical reports and revisions or amendments to accepted reports are to be accompanied by an application fee of \$150. Subsequently, companies are to be billed at six-month intervals or when the review is completed (Section 170.12(f)) for actual costs up to \$20,000 for each topical report or revision to an accepted topical report. Your October 8 request was not accompanied by the required application fee of \$150. Therefore, your Company is requested to remit this application fee to our office.

Sincerely,

Original Signed by:
