Subject: Colorado Part 4 Regulatory Changes

Nancy,

I called Michelle Sims-Moore of our Laboratory and Radiation Services Division, and she indicated that she would be sending you electronic files of the attachments. Please contact me again if you do not receive them by the end of this week. Also, please let me know what followup you'd like me to do to be sure that we have received any comments that will be coming from your office and have addressed them appropriately.

Thanks.
