Subj: Application for Renewal of NRC License SNM#368
Docket No. 70-371

Ref: (1) Letter W. T. Crow to W. F. Kirk dated February 27, 1985
(2) Letter D. Weiss to W. F. Kirk dated January 6, 1986
(3) Letter W. T. Crow to W. F. Kirk dated January 10, 1986

Dear Sir,

Enclosed is our application for renewal of subject license and the required fee of \$150.00 and the fee of \$150 for Amendment #2 (Ref. 2).

As requested, we have revised the entire license to the technical content and format requirements of NRC Regulatory Guide 3.52 Proposed Revision 1 dated July 1985 and January 1986.

Environmental information concerning effluent releases, environmental monitoring data, and the monitoring program described in our August 19, 1983 letter have been incorporated in this application. The NPDES application for discharge of sanitary wastes and selected waste streams is being prepared for expected submittal in February.

New facility drawings will be provided in February 1986 for those listed in Section 10.1. Our Facilities Engineering Group is presently updating these drawings.

We have answered the comments of Enclosure 3 to reference 1.

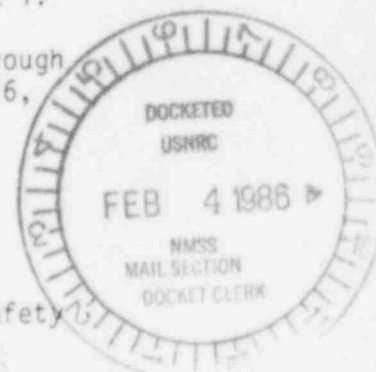

Enclosed with this letter are 10 copies of Chapters 1 through 8. Under separate cover are 10 copies of Chapters 9 through 16, together with binders for all chapters.

Document transmitted herewith
contains restricted data.

Very truly yours,

W. F. Kirk
