Dear Mr. Eisenhut:

Mark Good and I, from COMEX Corporation, were members of the Waterford-3 Special Review Team. I am writing to inform you that neither Mr. Good nor I received any pressure from any source to alter the results of our inspection in the manner described in your letter of June 15, 1984 and in the June 2, 1984 Gambit article by Mr. Ron Ridenhour. We received appropriate professional guidance from the review team leaders and conducted the inspection in accordance with established NRC inspection procedures.
