and Program Control  
Washington, D.C. 20555

Dear Sir:

Submitted herewith is the Monthly Statistical Report for the Yankee Atomic Power Station for the month of November 1985.

Also enclosed is a revised copy of Page 1 to the Operating Data Report for October 1985. The number of hours in the reporting period was incorrect in last month's report because day light savings time was overlooked.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY

L. H. Heider  
Vice President/Manager of Operations
