Dear Dr. Adam:

Enclosed are duplicate copies of our completed NRC Form 313 to cover our request for a self-contained irradiator. The enclosed is in support of our amendment application for NRC license 12-24371-01, as per your letter dated November 6, 1985. We have followed the provided guide and trust you will find our application complete. The additional fee required to upgrade our license category to 3E is being submitted directly to Glenda Jackson in Washington, in accordance with instructions in her letter of November 6, 1985.

Please advise me if additional information is required.

Best regards,

Timothy M. Sullivan, Ph.D.
