Gentlemen:

Thank you for your submittals dated November 19, 1984, and July 1, 1985, of the Revision 3 changes to your Quality Assurance Program Description. We have reviewed the November 19 submittal and find that the change to Section 1.8.7 resolves the matter regarding conditional releases which was identified to you in our letter dated September 28, 1984. The results of our review of the July 1 submittal were discussed with Mr. R. Heiden of your staff on September 12 and 16, 1985. Based on the results of our reviews and discussions, we consider Revision 3 acceptable.

We appreciate your timely submittal of information required by 10 CFR 50.54(a). Please contact Mr. Frank Hawkins of my staff (312-790-5555) with any questions you have regarding this matter.

Sincerely,
