Dear Dr. Lee:

The Washington University Medical Center Radiation Safety Committee reviewed your qualifications to use radioactive materials in your radiation oncology practice at the meeting held November 9, 1990. Based on your certification by the American Board of Radiology for the specialty of Radiation Oncology, the Committee unanimously approved you to use radioactive materials for each category of radiation therapy — brachytherapy, radiopharmaceutical therapy and teletherapy without any restrictions.

Your use of materials licensed by the U.S. Nuclear Regulatory Commission is authorized by Materials Licenses 24-00063-08 (MIR ^{60}Co teletherapy), 24-00063-10 (Jewish Hospital ^{60}Co teletherapy and 24-00167-11 (broad scope medical).

This notice of approval supercedes previous approvals granted by the Committee.

Sincerely,

John Eichling
