Gentlemen:

This refers to your letter dated August 19, 1985, for an amendment to Materials Licenses 12-15537-01 and 12-15537-02E to include additional smoke detectors.

We received your check for \$120, which has been applied to the amendment fee required to amend the -02E license. Your request, however, will also require an amendment to the device registration, for which an additional amendment fee of \$580 is required as specified in fee Category 9A of \$170.31 of the enclosed 10 CFR 170. Payment of the additional \$580 should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention.

Your application will be sent to the Licensing staff for processing upon receipt of the additional fee. When submitting the fee, please refer to CONTROL NUMBER 019198.

Sincerely, -4
