Gentlemen:

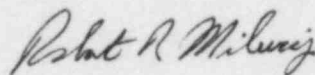

Re: License #SNM-356  
Docket #070-00361

Enclosed you will find two (2) copies of application form NRC-313 and supplements which constitute Princeton University's renewal application for the Special Nuclear Materials license referenced above. We are submitting a complete application as per your instructions.

In responding to certain of the application's questions we reference our Radiation Safety Guide, a copy of which is on file in your office.

If possible, please renew our license for a period of at least five (5) years. Thank you for your consideration in reviewing our application.

Very truly yours,

Robert R. Milwicz  
University Health Physicist
